A SHORT NOTE

FROM THE PRESIDENT

For 100 years, the Seniors' Northwest Golf Association and Victoria Golf Club (VGC) have joined together to present an outstanding golf tournament. We invite you to join us in the playing of the 101st event in August 2024.

Established in 1893, VGC is one of North America's oldest golf venues still located at its original site along the shores of the Straits of Juan de Fuca and Oak Bay. It is one of the most unique golfing experiences. The charm and traditions of the tournament are combined with unmatched views across the Salish Sea to the Olympic Peninsula and the North Cascades.

The Club's facilities, course, and professional staff are recognized as Canada's best in class having received numerous accolades over the years.

The City of Victoria is considered the Most Romantic City in Canada. We invite you to bring your significant other, and play in this unmatched International competition, reconnect with old friends, and make new ones.

We look forward to you joining us in the playing of the 101st event this August.

GETTING TO BEAUTIFUL VICTORIA, BC

BY AIR + BY SEA

ALASKA AIRLINES

Several airlines, including Alaska Airlines and Air Canada, offer flights to Victoria daily. Make sure to arrange transportation ahead of time from Victoria International Airport - it's about a 35 minute drive to the city.

FLOAT PLANES

Kenmore Air flies from Seattle's Lake Union to Victoria's Inner Harbour in a scenic 45 minutes. If you're traveling from Vancouver, Harbour Air is a quick 25-minute soar over the Gulf Islands.

BC FERRIES

With sailings almost every hour during summer months, BC Ferries brings the coast within reach for car and foot passengers traveling from the mainland to Victoria. This scenic sail takes 1 hour 35 minutes.

HELIJET

Heli Jet connects Vancouver downtown harbor to Victoria Harbour heliport in just 35 minutes. It's a quick and scenic way to travel between the cities, with the heliport located just a 10-minute cab ride from downtown Victoria.

THE CLIPPER

The foot passenger-only Clipper is a high-speed catamaran that runs between Seattle and Victoria in just under three hours. Disembarking in the downtown core of both cities, it's an excellent way to travel for a weekend trip.

BLACK BALL FERRY

The Black Ball Ferry runs from Port Angeles across the Juan de Fuca Strait, with car and foot passengers disembarking in downtown Victoria. The MV Coho is a retro vessel, with comfy seating during its 90-minute voyage.
